## **For Immediate Release**

### **Prowler's New CL-E 107" Engine now available at MC Advantages**

Prowler's New CL-E 107" motors are available from the Classic Series Engines. Engines are available in basic or show polish, assembled or unassembled. The 107" motor features a 4" bore and 4 1/4" stroke. The quality forged rocker boxes, forged oil pump, and roller rockers help to complete these high quality motors. For excellent reliability, looks and performance, be sure to go Prowler. Prowler products include Belt Drives, the new Patented 6 speed BAR transmission, and the Classic Series CL-P, CL-SH and CL-E Engines. Look for more information about the new Classic Series 107" Engines coming soon!

Retail Price \$4799.00 for Unassembled Basic Polish Engines, \$5350.00 for Assembled Basic Polished Engines, and \$6699.99 for Assembled Show Polish Engines. Please call your MC Advantages sales rep today at 1-800-726-9620 for more information.
